30	days per year at the racetrack designated in the permit holder's
31	permit; and
32	(B) meets the other requirements of this chapter and the rules
33	adopted under this chapter.
34	If a permit holder that operates satellite facilities does not meet

41	other event over which the permit holder has no control. In

addition, if the initial racing meeting conducted by a permit

1	holder commences at such a time as to make it impractical to

23	community.
24	(E) The potential for job creation.
25	(F) The quality of the physical facilities and the services to be
26	provided at the proposed satellite facility.
27	(G) Any other factors that the commission considers important
28	or relevant to its decision.
29	(5) The commission may not issue a license for a satellite facility

31	(6) Satellite facilities are limited to the following locations:
32	(A) An allowed city.
33	(B) A city, other than an allowed city, in which the permit
34	holder's satellite facility operations began before March 1,

for the operation of a satellite facility in an allowed city counts as one (1) license for each permit holder.
(d) Before: (1) the commission may issue a jointly held license to the permit holders described in subsection (c) for the operation of
a satellite facility in an allowed city; and (2) the permit holders may sell pari-mutuel pull tabs under IC 4-31-7.5;
